

Acceptance and Refusal of Authorisations policy

Policy Statement

Wideview Outside School Hours Care Service will request authorisation from families when required to ensure the safety of the children and educators, WOOSHC have the right to refuse a request unless the appropriate authorisation is provided. For example, if a child is to attend an extra-curricular activity for which authorisation is required, but has not been given, this will result in the child not being able to participate in the activity. Preferably, authorisation is required in written format, however in some circumstances educator's discretion may be used.

The Education and Care Services National Regulations require services to ensure that an authorisation (permission) is obtained from families in certain situations. For example, the Regulations stipulate an authorisation must be obtained for:

- Administering medication to children (Reg 93)
- Children leaving the service with a person who is not a parent of the child (Reg 99)
- Children being taken on excursions (Reg 102)
- Access to personal records (Reg181)

Authorisation from families may also be required if:

- A child is leaving the service to attend an extra-curricular activity away from the service, for example, attending a sporting activity, dance, drama, etc. that is run by a provider other than the WOOSHC service.
