PLEASE NOTE –

****YOU WILL NOT RECEIVE CCS FOR ABSENCES AT THE START AND END OF CARE****

CHILD CARE SUBSIDY (CCS)

Child Care Subsidy (CCS) is a payment made by the Australian Government to assist families with the cost of childcare.

The CCS is paid directly to the service and then will be passed onto families. There are three factors that determine a family's level of CCS.

1. A family's annual adjusted taxable income.
2. An activity test determining how many hours of subsidised care families can access (up to 100 hours per fortnight)
3. The type of childcare service being used.

The number of places available for Child Care Subsidy is limited by Government funding. The entitlement for parents to receive Child Care Benefit Funding is subject to the Centre continuing to maintain Accredited Standards of Care.

WHAT ARE MY RESPONSIBILITIES FOR RECEIVING CHILD CARE SUBSIDY (CCS)?

When receiving CCS, you are responsible for keeping the Australian Government up-to-date and notifying them when your circumstances change.

Here is a checklist of responsibilities: and what you need to do:

Step 1- Sign into your MyGov account.

Step 2- Link MyGov to Centrelink.

Step 3- Select Centrelink and complete the childcare subsidy assessment.

ABSENCE DAYS

Each child has 42 allowable absence days, which attract the Child Care Subsidy. This means that the Australian Government will still pay the Child Care Subsidy (CCS) for up to 42 absent days per child per financial year. If a child has more than 42 absence days full fees will be charged, and no CCS will be deducted from the fees unless a medical certificate is supplied.

ADDITIONAL ABSENCES

After the 42 absence days have been exhausted, CCS can still be paid on additional days for the following reasons:

- An illness (with a medical certificate)
- An outbreak of an infectious disease when the child is not immunised.
- Any other absences due to sickness of the child, a parent or sibling, supported by medical certificates.
- A parent being on a rotating shift or rostered day off.
- A temporary closure of a school or a pupil free day
- Shared custody arrangements due to a court order, consent order or parenting order
- Exceptional circumstances

ABSENT AND MISSING CHILDREN

Parents/guardians are responsible for notifying WOOSHC should their child be unable to attend their booked session. This includes illness at school and excursions. This is essential to ensure that all children are accounted for.

For privacy reasons the school cannot notify WOOSHC when children go home sick. A \$15.00 fee is payable for NON-ADVICE of attendance.

Fees will still be charged for the session even if a child/children do not attend.

After all children are signed in (this should be around 3:30pm) and if we have a child/children missing we will:

- If possible, ask the school if the child was absent or sent home sick.
- Phone the Parent/Guardian to see if they know the whereabouts of the child.
- Ask other children of their knowledge of where the child might be.
- If contact cannot be made with the parents, the emergency contacts will be called.
- If after 30 minutes contact cannot be made with the parent(s) or the emergency contacts, NSW Department of Education and Community will be called. WOOSHC will follow instructions given by NSW Department of Education and Community. These instructions may include contacting the Police.

Parents will still be charged for the session even if your child does not attend.

DROP OFF

Children must be accompanied by a parent/caregiver into WOOSHC.

Parents are to abide by the centre's hours of operation and that no children are left at the centre at any time outside of these hours.

PROGRAMS AND ACTIVITIES

The Educational Leader and Educators are responsible for the development of a child-centred program, which reflects the Centre's philosophy and meets the five outcomes as outlined in *My Time Our Place. (MTOPI)*

MTOPI is a framework developed by the Council of Federal Governments. The Framework aims to extend and enrich children's wellbeing and development in school age care settings. This framework acknowledges that children need a place to engage in a range of play and leisure experiences that allow them to feel happy, safe, secure, and relaxed. It also recognises that they need time to interact with friends, practice social skills, solve problems, try new activities, and learn life skills.

Through the Framework's five learning goals educators will assist your child to develop:

- A strong sense of their identity
- Connections with their world
- A strong sense of wellbeing
- Confidence and involvement in their learning
- Effective communication skills

The Educational Leader's are responsible for the development of a child centered program in collaboration with children and educators based on suggestions, observations and learning outcomes and ideas from children. These activities will be suitable to the age and interests of the children who attend the Centre.

Only "G" and "PG" (at Manager/Supervisor discretion) rated videos/films/games are shown/played at the Centre.

We critically reflect on our program and practices to ensure we are providing the best opportunities for the children we can.

If parents or other interested parties have special talents or interests that they would like to share with WOOSHC please talk to the Service Manager or Education Leader

HOMEWORK @ WOOSHC

WOOSHC educators are committed to providing a safe, friendly, and positive environment for all children. WOOSHC educators take a role of adviser and helper to children, to guide and assist all children in growing and developing through daily interactions.

Positive behaviour is encouraged through strategies that build children's confidence and self-esteem, while providing children with support, guidance, and opportunities to manage their own behaviour. Recognition that behaviour can be affected by the development, the environment, the time of day and the actions of educators and other children is essential in providing positive behaviour guidance. We do have a behaviour plan system for consistent poor behaviour please see our Behaviour guidance Policy or speak with Team Leaders about this.
