- 1.3 Parents are to supervise children particularly of any hazard such as vehicles on route to the handover.
- 1.4 Educators will be aware of each child's arrival at the service and ensure children are signed into the service, by the adult dropping off using their log in to sign in or an Educator will sign the child in (the reason for an educator signing should be recorded in the system)
- 1.5 If a child requires medication to be administered whilst at the service, the person delivering the child must document this in writing as per the services Management of Medical Conditions and Administration of Medication policy.

- 2.2 Parents must provide at least 2 emergency contacts on enrolment.
- 2.3 The service will not release a child to anyone who is not authorised to collect a child. Any person who is collecting a child from the service on a regular basis must be listed as an authorised nominee on the child's enrolment form with their contact details.

- 2.4 The authorised nominee who is collecting a child must sign the child out of the attendance register using their own details to sign out, they should not use someone else's details, if there is a problem with signing out speak with the Team Leader.

Written authorisation should be gained where possible, however verbal consent will be accepted, and an identification check will be conducted on the person collecting the child to ensure their details match the notification.

3. Late pick up of children

- 3.1 Parents must arrange for children to be collected by the closing time of the centre, other than in extenuating circumstances.
- 3.2 When children are still at WOOSHC at closing time parents will be contacted.
- 3.3 If no contact can be made with the parents, emergency contacts will be contacted.
- 3.4 If after 30 minutes and contact cannot be made with the parent(s) or the emergency contacts, NSW Department of Education and Community will be contacted. (Safety and Security 24-hour hotline number is 1300 880 021). WOOSHC will follow instructions given by NSW Department of Education and Community
- 3.5 Due to service insurances, staff can only stay for 30 minutes after closing time. If children have not been collected at this time, police and community services may be notified to collect the child. This procedure can be varied in extenuating circumstances at the discretion of the Nominated Supervisor/Responsible Person on duty.

Their place at the centre may need to be withdrawn if lateness continues or a solution or agreement cannot be reached.

 - Approach the school office or teacher and ask for information regarding the child's attendance at school.

- If the child was absent from school, call the child's parents/ nominees, to check if the child is absent and to remind them of their notifying responsibilities.
- If the child was present at school and the other children and school staff are unaware of their whereabouts, and the parent/nominees can't be contacted, educators will ask the school staff for assistance in searching for the child in the school area. Ensure supervision is maintained for other children during this process.
- If the child is still unable to be located, educators will return to the service and call the child's authorised nominees again. Continue to call the authorised nominees on the contact list until contact has been made. Maintain contact with the authorised nominees until the child has been located.
- Continue to keep in contact with the school during this time.
- Arrange for appropriate supervision of children at the service and send an educator to school areas or exit gates to continue looking for the child. Follow up on any leads regarding children going to a friend's home and check common places in the local area.
- After exhausting all of these checks, If the child remains missing, contact the police, and keep the authorised nominees and school informed of the situation.
- The service will notify ACECQA through the NQA ITS portal within 24 hours of the incident occurring.
